

## Summer Daycare Pricing- 2020

### PLEASE READ, FILL OUT, AND RETURN TO THE OFFICE BY FRIDAY, MAY 29, 2020.

This year, the Summer Daycare Pricing will look different from years past. We want to provide childcare for your children throughout the summer, as we understand it is a huge need for several families. With that said, we also must do what is best for our school financially. To ensure we can adequately pay our staff as well as keep up with our day to day bills, we have created a few plans for you to choose from that will best suit your family's needs. We know not every family will need care for the entire 3 months during the Summer season, so we hope by creating a few plans to choose from, this will benefit your family as well as keep our school going strong. Summer Daycare will be open to all kids that are 2 and potty trained to those who have finished 4<sup>th</sup> grade. Children who have finished Kindergarten-4<sup>th</sup> grade will plan to take off campus field trips, if we see fit under specific Covid-19 recommendations. Anyone attending longer than 9 ½ hours will be charged an additional \$3/hour (rounded to the hour). All children will be charged a \$20 snack fee each month, and a registration fee may be applied.

We want you to understand that as you pick a plan, we will expect that minimum amount paid each week, whether your child attends or not- the days do not transfer from week to week. Each plan is for each individual student. If you exceed the amount of days your child attends in one given week, according to the Summer plan you pick, an extra fee will be added to your bill. Please read through the options thoroughly and circle the option that best suits your family and include the child(ren)'s names and ages/grades finished that will be attending under the plan you circle. Summer Daycare pricing will take affect from June 1- August 21. We appreciate your understanding with the changes this year. If you have any further questions, please call the office.
